

Komiksowa sobota

Opis

W sobotę 15 lutego w Saloniku Literacko – Artystycznym odbyły się warsztaty dla dzieci i młodzieży z tworzenia komiksu poprowadzone przez Macieja Jasińskiego – scenarzystę komiksowego oraz Jarosława Wojtasińskiego – rysownika. Uczestnicy poznali poszczególne etapy tworzenia komiksu: od pomysłu, przez napisanie scenariusza, wykonanie szkiców, po właściwe rysowanie. Adepti sztuki komiksowej otrzymali wiele cennych wskazówek, np. jak pokazać upływ czasu i emocje w komiksie oraz przeszli szybki kurs rysowania. Spotkanie było okazją do zaprezentowania kultowych polskich komiksów.
